

27/7/18

Dear Parents / Caregivers,

**Year 0, 1 & 2 Swimming**

This year the Years 0, 1 and 2 learners will be taking part in swimming lessons in Term 3 Week 9 and 10, Monday 17th September to Friday 28th September.

The learners will be swimming everyday for two weeks. We will follow the same programme as last year and trained swimming teachers from YMCA Swim School at Onehunga Swimming Pools will coach the children.

Learners will be grouped according to their ability. Both pools will be available for their lessons, so all their swimming needs will be catered for.

**Cost**

Swimming lessons \$55.00 (10 lessons @\$5.50 each).

The PTA kindly uses funds raised from fundraising to pay for the bus to and from the pool each day. You may wish to start paying for the lessons in instalments via the office. It is expected that all children go swimming every day.

Last year this was a very successful opportunity for the children. It was fantastic to see the progress they made. The groups were very flexible and the children were moved according to their progress.

We are looking forward to seeing a lot of fabulous St Mary's Swimmers.

Thank you  
Hellene Varoy
