

6 August 2018

Dear Parent / Caregiver,

PERSONAL INVITATION - PLEASE JOIN US - Māori Community

As part of our promise and commitment to 'providing a Catholic education for the whole child', we are writing to inform you about our Māori Community Hui. This will take place between **6:00pm - 7:00pm** on, **Tuesday 21st August**.

We believe that commitment to the love of learning needs home, school and parish, all three working closely together.

This meeting will be for our Māori families. It is highly recommended that you attend as we aim to strengthen further the relationships between home and school that we have established.

The meeting will be an informal and two way conversation so we can learn from you about the things you value for the education of your children. We are also aware Māori Language Week is coming up from September 10 - 14 and we are keen to hear how we can work together to make this special.

In order to help us plan for the evening it would be greatly appreciated if you could return the reply slip below to indicate your attendance. Should you wish to discuss this further please contact us.

Yours sincerely

Saira Boyle
Principal
