Dear Parent / Caregiver,

PERSONAL INVITATION - PLEASE JOIN US - Indian Community Evening

As part of our promise and commitment to 'providing a Catholic education for the whole child', we are writing to inform you about our Filipino Community Evening. This will take place between **6:00pm** - 6:30pm on, **Tuesday 6th November.**

We believe that commitment to the love of learning needs home, school and parish, all three working closely together.

This meeting will be for our Indian families. It is highly recommended that you attend as we aim to strengthen further the relationships between home and school.

The meeting will be an informal and two way conversation so we can learn from you about what you value for the education of your children. We are also aware Indian Culture Week is coming up from November 19 - 23 and we are keen to hear how we can work together to make this a special week.

In order to help us plan for the evening it would be greatly appreciated if you could return the reply slip below to indicate your attendance. Should you wish to discuss this further please contact us.

Yours sincerely
