

**AUCKLAND MARATHON**

The Auckland Marathon is coming up in October (29th), which means the Kids Marathon start is just around the corner.

If your child/children (7yrs and older on the day) want to be part of the St Mary's team at the Auckland marathon then you need to fill out the form below and return it to Vicki Hyland (Rm 1) ASAP.

The children will need to start their running programme 10 weeks before the marathon. This year the children will run around the school, running 2k 2 days a week on Tuesday and Thursday mornings at 8am. This will start **next week (Week 6)** and go through till 26<sup>th</sup> of October, Term 4. The last 2k will be run at the marathon on the 29<sup>th</sup> of October.

This is a great event to be part of.

Regards  
Vicki Hyland.
