Final Camp Reminders

Dear parents,

It is finally the week of camp and the children are buzzing with excitement! This letter contains important final information for you to note. Please read carefully and if you have any queries at all, please do not hesitate to contact me by calling the school or sending an email claire@stmary.school.nz.

Final reminders:

- A copy of the gear list is on the back of this letter, please double check that your child has everything that they need
- The bus will leave school at **8:30am**, please ensure that your child is on the **courts** with their belongings by **8:00am** at the very latest. If it is raining, please meet in the library with all belongings stacked in an orderly manner in the Euphrasie corridor.
- Your child will need a packed lunch for the first day, please ensure that this is packed with their camp belongings
- Each child must bring either an ice cream container filled with home backing, or a packet of biscuits for afternoon tea, this must be packed with their belongings
- If your child has any new medication that they need to take regularly since you completed the health form, please let me know. If you noted on the health form that your child needs to bring medication to camp, please have this labelled and named in a container and please have this brought to **the DP** office on **Tuesday**.
- A reminder that no electronic devices are to be brought to camp. Mrs. Boyle and myself will be roaming and taking photos for the entire time we are at camp and will take plenty of photos to share with families.

We look forward to having a fantastic time at camp!

Kind regards,

Claire Hart
Deputy Principal
