

St Mary's Catholic School Ellerslie

We provide a Catholic Education for the whole child.

27/09/17

Kia ora whanau and friends,

Over the Term 3 school holidays we are going to be working on the St Mary's vegetable gardens, orchard, chicken run and be creating some art projects to beautify this area of our school.

The following dates over the second week of the school holidays show when we will be working on each project so that you are able to join us and be involved.

Monday 9th and Tuesday 10th: Our lovely groundskeepers will be concreting, building and creating the structures for our enviro area during these days - if you happen to want to help with these skills please let us know so we can contact you directly with details regarding building this.

Wednesday 11th: Filling planter boxes with soil and planting the vegetable gardens. Digging holes and planting the orchard trees.

Thursday 12th: Beautifying our new area using donated tiles to make mosaic artworks and stepping stones. Creating painted artworks with wooden planks to surround our gardens.

As there is building being done on Monday and Tuesday we will require less help. If you would like to come and help on Wednesday and Thursday we will be there from 10am to 1pm on both days.

Please note: As there will be contracted workers in and around the school at the same time as us, all children will need a parent or guardian with them for the time they are at school.

Kind regards,

Sarah-Jane Samuelu and Lauren Maginley
