

1.11.17

Dear Parent / Caregiver,

PERSONAL INVITATION FOR YEAR 3-6 in 2018 - PLEASE JOIN US

As part of our promise and commitment to 'providing a Catholic education for the whole child', we are writing to inform you about our Term 4 Bring Your Own Device in 2018 information evening. This will take place between **6pm** – 7.00pm on, **Thursday 16 November.**

We believe that commitment to the love of learning needs home, school and parish, all three working closely together.

This information evening will be for Year 3 families in 2018 and Year 4-6 families who would like an update. It is on the topic of **Bring Your Own Device**. It is highly recommended that you attend, because in 2018 it is our plan for Year 3, 4, 5 and 6 students to be part of bring your own device learning. This will remain optional.

We aim to provide all the information you will need to ensure that your child is prepared for 2018. A representative from Noel Leeming Commercial will also be there to answer any technical questions and to showcase the devices. They will also provide you with pricing and options.

In order to help us plan for the evening it would be greatly appreciated if you could return the reply slip below to indicate your attendance. Should you wish to discuss this further please contact us.

Yours sincerely

Gail Christie
Director of Digital Technologies and Assessment
