

Top Schools Fun Day

Dear Parents and Children,

Thank you for taking part in The Top Schools Fun Day on Sunday 11th March. We have 6 teams entered and ask that each child pays \$2 towards the entry fee. Please send this to Mrs Nelisi ASAP.

Details are as follows:

The children are to meet at Churchill Park Primary at 9.30 am on Sunday. We will have the St Mary's Gazebo so that will be our meeting place. A parent or caregiver will need to stay with each child for safety/supervision purposes throughout the day.

The children are to wear school PE uniform including the school hat or cap (we are aware there have been some issues with supply of the PE top at the uniform shop - if this involves your child we will try to loan them an older style top till the new ones become available at the shop - please let us know). Togs can also be worn as some activities will be wet ones!

Children will need to bring their lunch, a large drink of water and make sure they have a towel and change of clothes and applied sunscreen. If this could all be in a named 'school bag' it would be appreciated.

There will be some stalls on the day put on by Churchill Park Primary for fundraising.

There is no rain save date and if the event is cancelled it will be announced on 1ZB cancellations. I will post on the school Official Facebook page and website if the event is cancelled and we will push out an alert on the School App).

The day will finish around 3pm after the children are presented with certificates to commemorate their participation.

Looking forward to this fun filled day!

Thanks for your support,
Sarah Nelisi
